

## THE JOURNAL LIQUIDATION SALE

THE JOURNAL IS NOW ONLY \$6 PER ISSUE  
(PRICE INCLUDES SHIPPING)

---

1. **VOL. 1 NO. 1 – SCHIZOPHRENIA**  
A look at the most devastating of all thought disorders
2. **VOL. 1 NO. 2 – HOUSING**  
The best housing options for persons with mental illness
3. **VOL. 1 NO. 3 – REHABILITATION**  
Various “rehab” theories and the benefits of meaningful work
4. **VOL. 1 NO. 4 – DEPRESSION**  
How it feels to be the victim of unpredictable mood disorders
5. **VOL. 2 NO. 1 – VIOLENCE**  
Are un-medicated persons with mental illness more dangerous than others on the street?
6. **VOL. 2 NO. 2 – ALCOHOL AND DRUG ABUSE**  
Both appear to make persons with mental illness worse, but why then aren’t professionals cross-trained?
7. **VOL. 2 NO. 3 – SYSTEMS CHANGE**  
A few hopeful signs that dysfunctional, under funded mental health systems are being reorganized with a focus on outcomes
8. **VOL. 2 NO. 4 – BRAIN RESEARCH**  
A glimpse into the realm of scientific inquiry, astounding new technologies and determined new researchers
9. **VOL. 3 NO.1 – SIBLINGS**  
The impact on the brothers and sisters of persons with mental illness
10. **VOL. 3 NO. 2 – CLIENTS**  
Experiences with brain disorders are shared with genuine openness and vulnerability by persons who have survived the stigma
11. **VOL. 3. NO. 3 – PROVIDERS**  
Professionals express concern about the inadequacies of their training to deal with the realities of mental illness
12. **VOL. 3 NO. 4 – RELIGIOUS OUTREACH**  
Clergy, many of whom have family members with schizophrenia or affective disorders, urge fellow religious leaders to become better informed
13. **VOL. 4 NO. 1 – MEDIA**  
The media both creates and perpetuates distortions, biases, fears and cruelties as they wildly fictionalize behaviors of persons with mental illness
14. **VOL. 4 NO. 2 – AN INTEGRATED SERVICE AGENCY**  
A new kind of teaming, professionals and those who receive services and their families, support risk-taking for the “members” in the community
15. **VOL. 4 NO. 3 – VETERANS**  
Special concerns of veterans who have mental illness, and their families plight , and the V.A. agenda for research and service
16. **VOL. 4 NO. 4 – ARTS**  
Participating in “the arts” proves uniquely beneficial
17. **VOL. 5 NO. 1 – ETHICS**  
Who looks out for patients involved in neurobiological research?
18. **VOL. 5 NO. 2 – RELATIONSHIPS**  
Exploring friendship, intimacy and sex for mentally ill persons

19. **VOL. 5 NO. 3 – RECOVERY**

A vision of what life can be like after psychiatric diagnosis

20. **VOL. 5 NO. 4 – CHILDREN & ADOLESCENTS**

Unworkable laws, inadequate schooling and even the threat of parental abandonment in order to get publicly funded services

21. **VOL. 6 NO. 1 – OBSESSIVE CUMPULSIVE DISORDER**

Morbid, frightening thoughts, fear of dirt and touching, bizarre rituals and repetitive behaviors make up this fourth most common psychological disorder

22. **VOL. 6 NO. 2 – BIPOLAR DISORDER**

The mood disorder once called manic-depression, the treatments for it and the experience of people who have it

23. **VOL. 6 NO. 3 – SELF-HELP**

As a powerful step of the road to recovery

24. **VOL. 6 NO. 4 – AMERICANS WITH DISABILITIES ACT**

Disclosure and reasonable accommodation in the workplace

25. **VOL. 7 NO. 1 – MANAGED CARE**

Is it merely rationing to increase private sector profits?

26. **VOL. 7 NO. 2 – AWAKENINGS**

New medications, new opportunities, new challenges

27. **VOL. 7 NO. 3 – OFFSPRING**

How a parent's illness affects the offspring

28. **VOL. 7 NO. 4 – DISCOVERY/NARSAD RESEARCH**

New financial support for scientific inquiry

29. **VOL. 8 NO. 1 – BORDERLINE PERSONALITY DISORDER**

A much-misunderstood diagnosis

30. **VOL. 8 NO.2 – SUPPORTED EDUCATION**

Persons with mental illness going back to school

31. **VOL. 8 NO. 3 – SCHIZOPHRENIA REVISITED**

A new look at the most devastating thought disorder

32. **VOL. 8 NO. 4 – SPIRITUALITY**

A quest for meaning beyond one's mental disability

33. **VOL. 9 NO. 1 – PSYCHOLOGISTS**

Their contributions to understanding and treatment of mental illness

34. **VOL. 9 NO. 2 – SPOUSES**

"... in sickness and in health..." but what about in mental illness?

35. **VOL. 9 NO. 3 – ELDERLY**

The elderly mentally ill and their care

36. **VOL. 9 NO. 4 – DEPRESSION REVISITED**

New insights and new treatments

37. **VOL. 10 NO. 1 – ETHNICITY**

People of color with mental illness and their special needs

38. **VOL. 10 NO. 2 – SUICIDE**

Hopeless and helpless, many mentally ill persons kill themselves

39. **VOL. 10 NO. 3 – PSYCHIATRIC NURSES**

Their diverse involvement with persons who have mental illness

40. **VOL. 10 NO. 4 – WOMEN AND MENTAL ILLNESS**

To be female and have a mental illness creates unique challenges that requires new research and treatments

41. **VOL. 11 NO. 1 – CHILDREN, YOUTH AND MENTAL ILLNESS**

Trauma and suicide, hospitalization and incarceration are all unfortunate parts of how society mishandles emotional needs of "throw away" children when things go wrong in their lives

42. **VOL. 11 NO. 2 – THE IMPACT OF MENTAL ILLNESS ON FAMILIES**

When one family member suffers from a mental illness, the entire family suffers along with him/her in so many ways

43. **VOL. 11 NO. 3 – MENTAL ILLNESS AND THE LAW**

Looking at the laws regarding what can or cannot be done for or to persons who have neurobiological disorders – are their constitutional rights different from other citizens, or should they be?

44. **VOL. 11 NO. 4 – WELLNESS**

How can a person with mental illness strive for "wellness"?
